How did you find out about People Helping People Southeast?  
\_\_\_\_\_

Please describe the areas of concern in your home that you would like assistance with. If you need more space please write on the back of this sheet. Have you had anyone give you an estimate to do this work? If so, please provide us with a copy of the estimate. Do any of the areas you described present a health or safety hazard for anyone in your household?

A part of our mission and the way we operate, is to help people learn to help others. We would like to involve your friends, family, church, social groups, co-workers, etc. in this process. Please provide all names and phone numbers so that we may contact these people. Please list as many as possible.

Dear Friend,

Hello! Thank you for contacting People Helping People Southeast, Inc. Our organization was created to help people who are homeowners and are in need of assistance with home repairs. These people have no means of addressing those needs themselves, either physically or financially. We help the disabled, critically ill, elderly, and those in poverty level financial circumstances. We strive to maintain the highest level of good stewardship of all the resources which are donated to us by individuals and businesses in the community. Those resources include funds, time, materials, skilled labor, etc. We ask that as a part of your request for assistance, you allow us to contact people in your life and community to become involved in the process of assisting you. This is a required part of our application process. Once a completed application comes in, someone from People Helping People Southeast, Inc. will contact you.

We are at the very beginning of the creation of our organization. We ask for your patience as we review all the requests we are starting to receive. Our hope is to help as many people as possible. That number will depend on the donations and volunteers we get as we grow. We will carefully and prayerfully consider each application.

Sincerely,

People Helping People Southeast, Inc.

Patrick Lynch-President  
Rick Helton – Vice President  
Stephen Cochran – Treasurer  
Teresa Wadford - Secretary
